Originally the home of the Stargazer– Sun Valley is now specializing in Starfighters with more intensely colored blooms, high bud counts, long stems and an extended vase life!

**COLOR:** No lily compares to Starfighter's sweet red color accented by white petal edges and perky ruby freckling.

**SIZE:** Large impressive 6" - 8" blooms with stem lengths of 26" - 30".

**LASTING:** Outstanding vase life. Lily buds open progressively during a period up to 14+ days.

**BUNCHES:** Standard bunch size: 10 stems. Also available as Consumer Bunches.

**FARM FRESH:** Sun Valley is the largest grower of Starfighter lilies – making them available year-round and in great quantities. The mild coastal climate of our farms with the advanced computer systems

controlling heat, fertilization, water and natural light creates optimum growing conditions to produce healthy, strong Starfighters.

**CARE & HANDLING:** Upon arrival cut stems and place into a clean container with fresh, tepid water with fresh flower food solution. Remove any foliage below the water. Keep in cool location out of direct sunlight and drafts. Replenish water as needed.
